

ROBIN SONG EXTENDED CARE 2010 - 2011 SCHOOL YEAR

Starting in September 2010, we are thrilled to be able to offer extended day program until 5:30pm for all students through the 5th grade.

The extended care program is being led by experienced Waldorf teacher Cordula Hetland with assistance by Marcie Costello, Hanna Anderson and Lucy Yanz.

*Please look over our offerings and decide if you are interested in having your student(s) enroll. The WIWS Administration needs to know who is participating in extended care **BY SEPTEMBER 1st**.*

NEW PROGRAMS for 2010-2011

Our new programs from 7:30am until 8:30am and from 3:00pm until 5:30pm are available to you 5 days per week. These programs do not require that you sign up each day your child attends school. You have the flexibility to choose the schedule that will work best for your family, however the schedule you chose must be maintained for the school year. For example: You may decide that you need afternoon Extended Day (3:00-5:30) every Monday, Tuesday and Friday, and Morning Care just on Mondays. All such arrangements can be accommodated so long as you are committed to these days in advance, and for the year, so your place can be saved and a healthy consistent rhythm can be maintained for all the children.

Drop in care is not available for any Extended Care program at this time.
