Dewdrop & Rosebud

Our Rosebud and Dewdrop programs create a warm, nurturing, and supportive environment in which parents and their children can discover the joy of family. Parents are guided through child observations while children are invited to join free and imaginative play. Circle time offers songs, verses and movement for parents and children to experience together. A wholesome snack nourishes the body and a simple puppet story nourishes the soul. Parents and teachers thus work together to create a gentle transition from home to school.
